Sale cattle may depart as they sell on Saturday, March 16. The only exception to this parking requirement is buyer trailers will be permitted to enter the Expo grounds at the 11<sup>th</sup> Avenue Ohio Expo Center entrance on Saturday, March 16 only and park in the "big slide" area during the Expo breed sales for easier loading.
6. Cattle will be stalled by breeds in the O'Neill building by Ohio Beef Expo staff and breed representatives. Mulch will be in place upon arrival.
7. Limited tie-outs under the viaduct will be available. Tie-out space will be designated by breed and will be coordinated by Ohio Beef Expo staff and breed representatives who will assign tie-out space. All junior show cattle will tie-out in the northern section of the viaduct. Show and sale cattle exhibitors whose immediate family also have junior cattle may have them stalled together in tie-outs under the viaduct, providing they inform their breed representatives of the number of junior cattle one week prior to arrival at the Expo. No early reserving of viaduct space will be permitted. Any signs posted will be removed and any pens chained shut will be cut. When at tie out, all cattle must be tied. Space is very limited. **There will be a 12-head minimum required in each viaduct bay.** All tie-out tack must be placed at the ends of the viaducts and all tents must be set-up on the west side of the viaduct and not under the viaduct. Mulch for bedding under the viaduct is not provided, but is available for an additional purchase upon arrival at Expo. Straw is permitted, but will not be provided.
8. All Ohio Beef Expo show, sale, and display participants (both in-state and out-of-state) must be current members of the Ohio Cattlemen's Association to participate in the Expo. OCA family memberships are \$75 payable before March 14, 2019. If unpaid by March 16, OCA memberships will increase to \$125. Sale managers will deduct \$125 for OCA membership

from the check of every unpaid sale consignor. For show and display participants, the breed will be invoiced \$125 for every non-OCA member.

9. Ohio Beef Expo fees for show, sale, and display cattle are invoiced directly to the breed and/or sale manager. They include fees for breed participation based on their breed's total number of head, veterinary per head charges of \$3 for sale cattle and \$1.50 for show and display cattle, \$25 per head stalling for Ohio Expo Center facility rental based on the number of head that arrive at Expo, \$25 per head for mulch bedding based on the breed reservation numbers submitted at the February 7 Expo planning meetings. Participants are encouraged to inform breed representatives of larger animals that will require more than one stall and additional mulch. Breeds using internet broadcasting for their Expo sales will be charged for the broadcasting service and for internet hook-up. Contact your Expo breed representative or the Ohio Beef Expo staff for a copy of the Ohio Beef Expo breeds fees.
10. All Ohio Beef Expo show, sale, and display participants must be in good financial standing with the Ohio Cattlemen's Association to participate in the Expo. **OCA Show Eligibility Resulting from Violations of Ohio's Livestock Exhibition Rules at Other Shows:** Any individual and his or her immediate family or member of the individual's household who has been found by the Ohio Department of Agriculture to be in violation of mandatory Ohio Livestock Tampering Exhibition Rules 901-19-01 through 901-19-21 of the Ohio Administrative Code and has been barred for future show participation (with any species) will be barred from exhibiting cattle at the Ohio Beef Expo. OCA will give all decisions of sponsors and other bodies holding fairs and shows full faith and credit and will observe and enforce such decisions coextensively at shows sponsored by the Ohio Cattlemen's Association, such as the Ohio Beef Expo. In the final months of any penalty period, the OCA Board of Directors, in its sole discretion, may review the facts and circumstances prior to reinstating barred exhibitors. If the Board of Directors, or the OCA executive director, has not notified the exhibitor of the status of reinstatement prior to the last day of the penalty period, the exhibitor will be deemed reinstated.

The electric and lighting in the O'Neill building where you will be stalled has been updated, but in the past exhibitors have been advised to bring generators to run blowers. You may also want to bring spot lights, etc. for your cattle displays.
