PLEASE NOTE!

All stalling for Junior Show cattle will take place online March 10-12, like state fair stalling has been handled in previous years. Stalling will open the 10th and close the 12th. Exhibitors will use a map of the barn and remaining viaduct bays, if available, to submit their top three preferences. Stalls will be assigned based on these submissions. There will be no in-person stalling available. Links to the online stalling will be available in early March.
