# EVENTS & PROGRAMS

## COWBOY HAPPY HOUR

OCA will be hosting a happy hour on Friday and Saturday, March 14 and 15. On Friday, the happy hour will be 4:30 - 5:30 p.m. and Saturday 4 - 5 p.m. The happy hours on both days will take place at the OCA booth in the Ohio Beef Expo Trade Show and will be a social event you won't want to miss.

OCA members will be treated to complimentary snacks and drinks during the Cowboy Happy Hour. Stop by the OCA membership booth for a wristband to gain access to the Happy Hour area.

## THE SOCIAL

The Ohio Cattlemen's Association invites you to join in an evening of networking with fellow cattlemen and industry leaders at The Social, on Thursday, March 13, 7:30 p.m. at the Hilton Columbus/Polaris. The Social is open to OCA membership, Expo cattle and trade show exhibitors and volunteers. It's free to attend and will include appetizers and drinks.

The Social will feature LIVE music from the Dalton & Delaney duo.

The Social will feature a live auction with proceeds going toward OCA's Political Action Committee (PAC) fund to support ag-friendly candidates in the next election. Visit The Social at the Hilton, the Ohio Beef Expo headquarters, on Thursday evening to bid. We hope to see you there!

Dalton & Delaney, an acoustic duo from Ohio, met in October of 2022 in the National FFA Talent Program. They realized they both shared a love for music and decided to start their own duo. Dalton and Delaney are no strangers to the agriculture industry as they both grew up heavily involved in 4-H and FFA.

Delaney lives on a farm in Fairfield County where she and her family raise beef cattle and are members of the Ohio Cattlemen's Association. She has participated in the Ohio Cattlemen's Association BEST Program for many years where she has enjoyed showing cattle, competing in the stockmanship program, and promoting the beef industry. Delaney recently completed a year of service as the 2023-2024 Ohio FFA State Vice President. She is currently attending The Ohio State University majoring in agricultural communications.

Dalton resides in Darke County where he is currently a loan originator working with farmers on agricultural lines of credit and farm loans. He recently obtained his associate degree in banking and is looking forward to earning his bachelor's degree in business administration. Dalton has performed in several bands and enjoys writing his own music.

## YOUTH BQA

Youth Beef Quality Assurance training will be offered on Friday, March 14, at 9:30 a.m. in the Coliseum. Three age divisions for BQA will be available: 8 - 11, 12 - 15 and 16 - 21. BQA training is a requirement for the OCA BEST program. All participants will complete a form following their training that will be returned to the OBC office. County extension offices will be notified of each participant's attendance at the training.

## FEEDER CATTLE SALE

The 2025 Ohio Beef Expo will continue to host a feeder cattle internet board sale, sponsored by United Producers, Inc. (UPI). The sale will be held Friday, March 14 at 12 p.m. in the Voinovich Building sale ring on the Ohio Expo Center grounds.

A board sale offers consignments of uniform packages of feeder cattle. The cattle are sold while on the farm with specific pick-up period defined in the sale catalog. Typical pick-up times range from one week to four months after the sale. Lots are typically sold in 48,000 to 50,000 pound load lots. However, smaller groups are encouraged as well. These sales may include all types and breeds of feeder cattle. Uniform lots sold in groups that would average between 400 and 900 pounds are common. Uniform groups of Holstein and beef on dairy feeder cattle may range between 250 pounds to 900 pounds.

Consignments are open to Ohio and out-of-state producers. Earlier consignments are encouraged since videos and pictures of all consignments will be posted on UPI's web page. Sale commission will be divided between the UPI sourcing market and OCA. Sale catalogs will be posted on UPI and OCA's websites at least one week in advance of the sale.

To consign cattle or request information, contact your local United Producers, Inc. representative or Sam Roberts at 937-477-0060.

# SEEDSTOCK SHOWS & SALES

## SALE CATTLE IDENTIFIED BY EID TAGS

All Ohio Beef Expo Sale Cattle will be identified with EID tags to comply with the USDA Animal Disease Traceability (ADT) rule for interstate shipment of cattle. This means that no matter what an individual state's requirements for transporting cattle may be, potential Expo cattle buyers can be assured that they can easily ship their Expo purchases into any state. For more information contact the Ohio Beef Expo official veterinarian Dr. Eric Gordon at 937-642-2936 or see the 2025 Ohio Beef Expo health requirements at [www.ohiobeefexpo.com](http://www.ohiobeefexpo.com).

## BVD TESTS MANDATORY

All cattle (from Ohio and out-of-state) consigned to breed sales, show cattle, display breeds and Genetic Pathway cattle at the 2025 Ohio Beef Expo must be tested negative for Bovine Viral Diarrhea (BVD) persistent infection (PI) status prior to arrival at the 2025 event. This includes all cattle entered in the Ohio Beef Expo Junior Show. Any animals arriving at the Expo without a negative BVD PI test, will be ineligible to participate in the 2025 Ohio Beef Expo and will be excused from the show grounds. Type of test and negative test results must be listed on the required health certificate and/or laboratory report of negative status provided. See 2025 Ohio Beef Expo health requirements at [www.ohiobeefexpo.com](http://www.ohiobeefexpo.com).

## TRICHOMONIASIS

Ohio has mandatory Trichomoniasis rules for all bulls entering Ohio from any other state. Virgin bulls under 18 months of age on the date of the sale must have a virgin statement on the CVI accompanied by the veterinarian's and owner's signature. Bulls 18 months of age or older on the date of the sale and all non-virgin bulls must have a PCR test within 28 days of the date of the sale. See 2025 Ohio Beef Expo health requirements at [www.ohiobeefexpo.com](http://www.ohiobeefexpo.com).

## TUBERCULOSIS

Tuberculosis (TB) requirements for sale cattle have changed for 2025. No TB test is required if cattle originate from a TB free state. Cattle coming from the four counties of Michigan (Alcona, Alpena, Montmorency, and Oscoda) will need a TB test. Contact the Ohio Department of Agriculture 614- 728-6220 for additional direction.

## ADDITIONAL SALE CATTLE HEALTH REQUIREMENTS

Cattle in Ohio Beef Expo sales are sold into many different states and it is important that consignors keep this in mind when planning for the sales.

The lot numbers of the animals that do not meet the Ohio Beef Expo health requirements will be announced prior to each breed sale. Health papers (CVIs) will NOT be issued for cattle that do not meet the Ohio Beef Expo health requirements. These health papers are typically written at the sale's clerking table and accompany the cattle to the new buyer's location.

A list of the lots that do not meet the requirements will be available in the Beef Expo office by Friday, March 14 at 2 p.m. For more information, go to [www.ohiobeefexpo.com](http://www.ohiobeefexpo.com).

## BUYER PARKING - FRIDAY & SATURDAY, MARCH 14-15

For Friday and Saturday only, special trailer parking for Ohio Beef Expo sale buyers will be available on the main part of the fairgrounds just east of the O'Neill Barn where the sale cattle are located. To access the parking area, cattle trailers should enter the fairgrounds off of 11th Avenue at the OHIO gate. Avoid the hassle and long walk to get your trailer by parking on the grounds. This special trailer parking area is expected to fill up, so plan to arrive early.

All other cattle trailers, including show and sale cattle exhibitor trailers and junior show trailers MUST park north of 17th Avenue after unloading.
