Beef bull that's what this is here!!! The power this bull has is what makes you the money on the rail, but he's not just for making feedlot cattle. He has the length, tremendous depth of rib, and extremely docile. White being a direct son of CSF Evolution, he definitely has the look for the show ring.

 Cledus is a moderate framed, stout made bull. He is thick topped, square rumped and sets down on a super sound, clean made hind leg. He gets out and moves stout, sound and true in his tracking. Out of a 1st calf heifer and sired by the Select Sires, S A V Rainfall, who is a \$ Weaning leader that offers strong marbling and REA predictions.
 An easy fleshing black bull with some roan chrome. TH & PHA Free by pedigree.

LOT 7 SIRE

GENERAL SALE INFORMATION:

PERFORMANCE DATA: The Expected Progeny Differences (EPD's) represented in this catalog are generated through the American Shorthorn Association Digital Beef program and reflect the run as of 2/15/2021.

American Shorthorn Association Genetic Condition Disclaimer: Unless an animal is listed on the American Shorthorn Association "genetic condition status list", the American Shorthorn Association makes no representation of any kind as to whether or not the animal has a genetic condition.

Air Travel: Commercial flights are available to Columbus, OH.

Terms And Conditions: Terms of the sale are cash. Settlement is to be made with the clerk immediately following the sale and before cattle are removed from the premises.

Directions: From Interstate 71, take 17th Ave. west to the fairgrounds gate and follow signs to the livestock arena.

Billed Accounts: All billed accounts are due within 10 days following the date of the sale. At 10 days, a two percent service charge will be added to the unpaid balance and an additional two percent will be added every 30 days thereafter unless previous arrangements have been made with the owners or sale manager.

Health: Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states.

Liability: Each animal will be at the buyer's risk as soon as sold. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending.

Breeding Guarantee: The Standard Breeding Guarantee as endorsed by the American Shorthorn Association will be followed.

Insurance: will be available for your purchases from the sale clerk.

Announcements: made from the auction block take precedence over all printed material in this catalog.

Mail Bids: Mailed or telephoned bids will be handled in a most confidential manner. If you are unable to attend the sale personally, simply contact a representative of the sale far enough in advance prior to sale day. They will be able to assist you at ringside on sale day.

Update On Breeding And Calving Information: There will be added information available at the sale site that will list any additions to the catalog information as to new calves born and new breeding information that will occur after the printing of this catalog.

Take a look at this sweetheart! This heifer has power and correctness in her structure. Her udder is set tight to feed all the replacement calves she can give you. While adding a little extra bling of color! When you look at her weaning and yearling weights plus her carcass data, this heifer is in the top half of the breed. This makes for quite the combination.

SMITH's Erica 005 is a full sister in blood to SMITH's Erica 907 that we campaigned last year up in Michigan, who ended her show career as Res. Champion ShorthornPlus in the MI Shows points program. We believe that this heifer has been the elite show heifer of the group since day one. With Shorthorn Jr Nationals being in Louisville this year, what better opportunity to get in on one that we believe can go play in the Plus division. When you evaluate this heifer, you have to love the way she's built from all aspects. She possesses an incredible amount of natural rib shape while maintaining a ton of depth of body. Not only does she tie her neck beautifully out of the top side of her shoulder, but she's also as choke fronted and pretty necked as you can make one. We truly think you can take this heifer anywhere in the country & have success inside the ring and turn her out and watch her match that success in your breeding program.

Maternal, Maternal, Maternal!!! This gem has Lakeside Focus 605, Byland Augusta Brae, JSF Goldenrod on the sire side, passing on the maternal genes! All while the dam side you will see the tremendous show pedigrees stacked back through the generations. She has the power and look of the Plus heifer if you mate her with a Purebred bull, her calves will be Purebreds. Exceptional choice for a show heifer yet an excellent momma for the pasture.

For those of you that have followed any of our sale entries in the past you might think that this one looks oddly familiar. If you thought that, you wouldn't be wrong, as we believe this one is a spitting image of her full sister that we sold to Georgia through this sale last year. Her sister was no stranger to the backdrop as she grabbed a couple of banners right off the bat in her show career. We truly believe that this heifer will follow in her sister's footsteps, in the ring and go out and make a great addition to any herd. When you step back and read her from the ground up she screams cow power with a ton of natural rib shape and depth of body with a front 1/3 that ties it all into an awesome maternal package.

CONSIGNED BY: BARR FAMILY FARMS

This is a heifer right out of the heart of our growing Shorthorn herd of cattle. She is out of our Red Reward son from Cedar Lane Farm. She is a cool looking, long sided, deep ribbed female that is an easy keeper. She has great hair, great disposition, and is easy feeding that would make for a great addition to any show string and herd.
