Rugged made, big backed herd bull prospect sired by the calving ease specialist TRNR Star Power. His 4-year-old dam is a big bodied, attractive made Turner bred female sired by the proven TRNR Dutton. We think this bold constructed, rugged designed bull will sire the kind that carries an extra punch and push down the scales at weaning. As an added bonus he is extremely gentle and easy to be around.

This powerful bull takes depth of body and natural muscle shape to the next level. Pictured at only nine months old, he puts together a masculine package with extensive length of body flowing from a nice, smooth front end. He has tremendous rib shape and dimension and that deep, soggy middle we all strive for. His dam is a tremendous milker that grows big, stout babies. She is also bred back with a 335 day calving interval. His remarkable pedigree comes with some impressive EPD's including the top 3% for REA and top 20% in 11 other traits. If you're looking for a bull that will add growth and power to your herd, look no further.

GENERAL SALE INFORMATION:

PERFORMANCE DATA: The Expected Progeny Differences (EPD's) represented in this catalog are generated through the American Shorthorn Association Digital Beef program and reflect the run as of 2/3/2025.

American Shorthorn Association Genetic Condition Disclaimer: Unless an animal is listed on the American Shorthorn Association "genetic condition status list", the American Shorthorn Association makes no representation of any kind as to whether or not the animal has a genetic condition.

Air Travel: Commercial flights are available to Columbus, OH.

Terms And Conditions: Terms of the sale are cash. Settlement is to be made with the clerk immediately following the sale and before cattle are removed from the premises.

Directions: From Interstate 71, take 17th Ave. west to the fairgrounds gate and follow signs to the livestock arena.

Billed Accounts: All billed accounts are due within 10 days following the date of the sale. At 10 days, a two percent service charge will be added to the unpaid balance and an additional two percent will be added every 30 days thereafter unless previous arrangements have been made with the owners or sale manager.

Health: Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states.

Liability: Each animal will be at the buyer's risk as soon as sold. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending.

Breeding Guarantee: The Standard Breeding Guarantee as endorsed by the American Shorthorn Association will be followed.

Insurance will be available for your purchases from the sale clerk.

Announcements made from the auction block take precedence over all printed material in this catalog.

Mail Bids: Mailed or telephoned bids will be handled in a most confidential manner. If you are unable to attend the sale personally, simply contact a representative of the sale far enough in advance prior to sale day. They will be able to assist you at ringside on sale day.

Update On Breeding And Calving Information: There will be added information available at the sale site that will list any additions to the catalog information as to new calves born and new breeding information that will occur after the printing of this catalog.

HEIFERS PURCHASED IN THIS SALE BY OHIO JUNIOR EXHIBITORS CAN SHOW SUNDAY, MARCH 16 IN THE OBE JUNIOR SHOW.

Here he is folks! BAA Lawton was the Reserve Champion Plus bull as a calf at the Keystone in 2023, and still continues to impress us to this day. He pairs an incredibly flexible yet stout skeleton with the right kind of real dimension and shape up high, and still is great looking from the side, without sacrificing any rugged, masculine herd bull feature. He's huge testicled, big footed, and incredibly docile to be around. A sensibly sized sire prospect that is low birthweight, but still is broad pinned and big shaped. Great haired, great looking, and great to be around. He's a son of our lead purebred donor, SULL Myrtle's Date ET, who herself is a daughter of the immortal SULL Myrtle Bo 46P-1. He's a maternal sib to our Champion Bred & Owned Shorthorn Plus female at the 2021 National Junior Shorthorn Show, and shares a lot of qualities of his sister. To me, he's got the quality look and structure it takes to generate high value replacements and show ring females, but still comes equipped with the rugged substance to generate competitive sons. We believe in this bull, and are excited to see the future of this electrifying, triple clean, calving ease herd sire prospect! THF, PHAF, DSF.

We sold a half sister on the "Topside" of this pedigree last year and this one has quickly followed in her footsteps when it comes to quality. If you are looking for something to add a little flash and show ring appearance to your herd then look no further. She is the type that can easily make competitive purebred or plus animals to walk your pastures. Not to mention she adds that redneck roan color that depicts the breed well. *Seller retains the right to one successful flush at sellers expense.*

A beautiful roan female that is deep sided, bold ribbed and still ladylike in her head and neck construction. Females built like this are destined for productivity as cows. The maternal side of her pedigree traces back to the famous Byland Cindy Beauty cow family that is a household name in the Shorthorn business. Top 15% MILK, top 30% STAY, top 35% YW, top 40% WW, \$BMI.

The pedigree on this March SH+ heifer is a little out of the box for us, but it worked! She is cool in her design, sound and hairy. NBS Layla 29M was third in class in the AORB show in Louisville. She could run in either the heifer or market divisions or both. Her dam, NBS Layla XG had a great track record in the show ring and was a Reserve division in the SH+ show in Louisville. As a cow, she never misses, so we decided to flush her last year to Direct Deposit, Flash and SAM, and have two out of three matings on the ground, so far. Oh man...are we excited!!

We strive to make females that have stellar show cow potential while also being backed by a productive and winning pedigree, and this female is no exception. Her mom was Supreme Champion Female at the 2022 Keystone International Livestock Expo, Champion Open Shorthorn Plus and Reserve Junior Shorthorn Plus at Louisville, and Reserve Shorthorn Plus at Fort Worth. This heifer has the parts to be a breeding piece in any operation and will make an excellent show cow. She is chalked full of body and stoutness coupled with the structure to go for days. Stop by and see her in person, and you will understand why she is a barn favorite.
